

MOLLY K

interviewed by Clarisse Thorn, clarisse@leatherarchives.org, clarisse.thorn@gmail.com

INITIAL SORTING QUESTIONS (filed January 14, 2011):

1) What year were you born?

1988

2) How did you hear about this project?

Burner listserv

[THE LIST IN QUESTION IS ASSOCIATED WITH THE BURNING MAN FESTIVAL -- AN ART FESTIVAL HELD YEARLY IN THE BLACK ROCK DESERT OF THE SOUTHWESTERN USA.]

3) What led you to get in touch with me?

I too think its important/interesting to document sex practices, and I'm also a researcher (psychology) so I like to support other projects by participating when I can.

4) Have you ever been to a public sexuality event? If so, when was the last time and where? How many public sex events have you been to in the last three years or so?

No I have not been to one. Been involved in a few impromptu orgy/sex parties (4 and up), but no scheduled sex events. I don't really like to commit to or promise sex before I arrive somewhere in case I become uncomfortable with the situation. Although I did try to attend a public sex/ bondage event at burningman, I missed it.

5) In the past, how have you usually found sexual partners?

Through friends or hooking up with friends, classmates, occasionally people I've met at bars or jobs. Because of how I feel (see last question answer) I'm not into meeting people online to hook up.

6) Have you found any sex education resources that you especially like? What are they?

Um no I don't think so. We had sex ed in high school, and I found that sufficient. If I have any sex questions I usually google it and ask around to verify.

[I CHOSE TO DO AN IN-PERSON INTERVIEW WITH MOLLY K BECAUSE SHE SEEMED ALMOST COMPLETELY UNEXPOSED TO THE BDSM COMMUNITY, WHETHER BOOKS OR EVENTS.]
